

Four Days Training with Animators in Jharkhand

Four days residential training with Animators and group members have organised in 'Bharat Mata Kalayan Mandap' Sisai- Gumla from 19-22 August 16 with the support of partner organisations (Srijan Foundation and Chotanagpur Sanskritic Sangh). 17 Animators, 3 group member and 2 facilitator including total 22 peoples from Bero block (Ranchi district) and Sisai block (Gumla district) have participated. Mahendra Kumar and Jagdish Lal from CHSJ have facilitated the training under the 'Responsible Partner and Caring Father' program. The main objective of this training was to build knowledge and understanding about the program and different social issues.

Issues that have covered during the training were about the program, Role and responsibility of animators, understanding of social constriction, Equality and Equity, Access and control over resources, Sex and Gender, Construction of self gender and socilisation process, space for men and women in public and domestic sphere, gender discrimination in life cycle, privilege and restriction etc. Participants have make their personal change plan. Training were conducted on the participatory learning process and different methods like group discussion and presentation, small group discussion, role play, game, lecture, film show and discussion etc, have used.

Observation- First day when we have started the training all most 50 percent participants were nerves and so silence, they were feeling hesitation to put their view and opinion. At the last day 95 percent participants were very interested to do work at personal and community level. they were putting their view on sessions. We found some participants can lead and support to others well. only two animator were very week and we could not found more improvement in the last day.

Situation- Participants of sisai block were spending full time (up to 6 PM) but they were not staying in the night but they have joined the training in time next day morning. Participant of Bero block were stay at venue.

We have shared the observation and situation with both partners in details through phone for give attention with facilitator for improvement.
